

We appreciate your interest in our Beauty Culture Program. Our Course is designed to train students to meet or exceed the needs of a demanding beauty industry.

Our instructors are very well qualified, with journeyman status and many years of experience.

Continuous upgrading, through advanced courses and seminars help us to better prepare our students for the future.

### Admission Requirements

- Minimum Grade 10 or equivalency, with Grade 12 preferred due to the amount of theory involved in the course
- 16 years of age
- Medical certificate required

### Enrollment

- Continuous enrollment (usually the first Monday or Wednesday of every second month:  
Jan/Mar/May/July/Sept/Nov

### Program Length and Cost

- 1400 hours (approximately nine months)
- Monday through Friday 9:00 a.m. - 5:00 p.m.
- Required to stay later on some Thursday evenings
- Tuition fees (see Attached Agenda)
- Prices Subject To Change Without Notice

### Dress Code

- Specifies full uniform either dress or pant type (white ONLY!)
- Nylons must be worn with either
- Shoes must be white (ONLY!) with good support. Duty shoes are best - absolutely no runners.

### Graduation Recognition

Students must receive a 75% theory and a 75% practical average in order to receive a school diploma. Students must be willing to make the commitment to attend school full-time (40 hours per week) plus study for weekly and final exams.

Students are advised to contact their local Apprenticeship and Trade Certification Branch to discuss all matters concerning recognition of training towards apprenticeship and trade certification.

### Financing

Paid in full at the time of commencement or pre-arranged payments. Student loans are available for those who qualify.

Towards the end of the program, the students are required to spend time in salons for a minimum of eight days training, which gives them added insight into this industry and introduces them to the community.

Attending hair shows is encouraged, attendance at one trade show is required. We believe in keeping on top of current trends and seeing what is new in the marketplace.

We also bring in special resource people such as nail technicians, color and perming technicians, facial and make-up technicians etc., to broaden the students awareness of various choices open to them in the industry.

In conclusion, we hope that we have answered some of your questions about our training center.
